

# Somfy Expert SignUps!

Sponsored by

Long Island  
Chapter

## Class 1

**The Somfy Expert Program**  
For Interior Window  
Coverings

This training course provides all of the product and installation advice needed to **successfully incorporate automated window coverings powered by Somfy into any residential or commercial project.**

This class will qualify attendees as Somfy Interior Window Experts. All attendees will be listed on Somfy's Dealer Locator, receive a certificate of completion, and discounts on sample products for your business.

## Class 2

**Home Tech Controls**  
And Workroom  
Demonstrations

- **You must attend one session of Class 1 during this series, prior to attending.**

This intensive course will focus on programming of various motors and controls. In addition, we will focus on assembly of different motorized window treatments with demonstrations and hands on participation. We will also discuss the upcoming workroom program, soon to be released by Somfy.

Guests:

**John Fryc- Somfy**  
**Geremie Giancola- Rollease**

## Class 3

**TaHoma**  
And Intro to Home  
Automation

This class will give a **preview of Somfy's new automation system, TaHoma.** We will discuss all aspects of this innovative new automation system including installing, programming, and selling. In addition, we will discuss **the basics of home automation** and how you can integrate your Somfy window treatments on all your projects.

**\*SPECIAL\***
